

GSA Fee Levy Questions 2014-15 Elections

Concordia Student Broadcasting Corporation

The Graduate Students' Association of Concordia University (GSA) is responsible for ensuring that fee levy funds contributed by its members entitle them to a voice in these organizations through democratic structures. It has been brought to the attention of the GSA council that the Concordia Student Broadcasting Corporation (CSBC), the governing body of CJLO 1690 AM, Concordia University Radio, unlike other fee levy groups, does not grant automatic membership to fee-paying GSA members. In February 2013 CSBC was given one year by the GSA council to modify their by-laws to correct this situation. This deadline has been passed without the requested modification. **Given these concerns, do you agree to cease the CSBC fee levy of 0.54\$ per semester starting September 2014?**

GSA Advocacy Fee

Do you agree to keep the Advocacy services fee levy at \$2.50 per term? The use of GSA Advocacy services has increased dramatically over the past three years and we have added new staff members to meet this demand. This fee levy is used to fund projects to advocate for all students' rights with a particular focus on the challenges facing international students. New projects will include but will not be limited to maintaining and increasing staff, holding more workshops, and developing campaigns that are more effective. By voting no you agree to decrease the per term amount by 1\$ per term back to its past level of \$1.50 per term. By voting yes there you indicate there should be no change to the amount of the fee levy.
