5.2 GSA Twitter

Motion CO-20141022-09

Whereas transparency, engagement and accountability are high priorities in GSA;

Be It Resolved That the communication manager hours be increased by 5 hours a month to manage the GSA official twitter account according to the following strategy.

- 1) Aim for 1 or 2 tweets a day. (Acknowledging that 2 tweets could be rare)
- 2) Ensure that councilors active on twitter about GSA have some more exposure by retweeting GSA related posts (obviously councilors should tweet mentioning the GSA official account to get that exposure more efficiently than asking the communication manager to fetch)
- 3) Posting policy and principles have to follow the principles of facebook use (in terms of politeness... etc)
- 4) Council to be live tweeted. Motions, motives for and against (and who said what=

Be It Further Resolved That that the GSA will organize a Special Council Retreat on Equity and Diversity to be held in January 2015 and that the Council will invite all GSA members, equity groups and offices on campus to participate to the retreat;

Be It Further Resolved That that GSA Bylaws committee will revise and create new bylaws according to the propositions that are going to be voted during the Equity and Diversity Special Retreat Assembly;

Be It Further Resolved That that the Equity Special Retreat is accountable to the Event Budget and that the Budget committee will allocate found no later than November 28th 2014.

Whereas the Dean of Students has reported that invitations to this supposedly exclusive society have been sent to as many as 2344 graduate students this year;

Whereas the Dean of Students has also reported that the mail-out is not handled by his office but by a third party;

---5.7 Finance update---

6. New Business

---6.1 Apology---

6.2 Exec bursary retroactive

Motion CO-20141022-16

Whereas the motion relevant to Executive Bursary policy and the changes in Article 4B was drafted in accordance to the Budget projection for the entire Academic year 2014-15.

Whereas the entire “Whereas’es” of Executive bursary policy motion adopted on October 9th council meeting advocates that the discussion was being done specifically under consideration of bursaries being allotted to VP-Academic, VP-Mobilization for 8 months and President, Internal and External for 12 months.

Whereas while discussing the motion on October 9th council meeting, the spirit for retroactivity was present, but since a separate motion stating clearly about the retroactivity was not jotted down the motion is still vague and is leading to different interpretations.

Be It Resolved That The council pass a separate motion stating retroactivity of Bursary

amount difference for President, Internal and External for summer semester.

Be It Further Resolved That The modification adopted on Article 4b of Executive bursary policy be implemented retroactively for the summer semester for the three executives (President, Internal and External), and provide them the honorarium (bursary amount) difference.
