5.1 Introduction of appointed members to university bodies

5.3 Discussion on BDS committee & Divestment from Technion

Vignesh informed the council about the confusion regarding functioning of GSA BDS committee as a separate body from GSA. There was a discussion regarding approval of that committee at a general assembly (23 January 2013) and formation (probably) at a council meeting.

Claude asked why there are no current council members in the committee. An observer Firas opined that a university body like GSA should not be supporting an academic boycott. Other similar BDS examples were given by council members.

Be it resolved that the GSA council requests bylaw committee to look into the issue of relationship between the GSA and the BDS committee. Moved by Vignesh and seconded by Niranjana, it was resolved in a vote. 1 voted against the motion, 2 abstained. **Motion Passed.**

Be it further resolved that the GSA invites BDS committee to the next council meeting to discuss different issues regarding the GSA-BDS committee relationships. Moved by Niranjana and seconded by Roddy, the motion was resolved in a vote. 2 voted against. **Motion passed.**
