Referendum Question : Student Services Fee

Do you agree to increase the Student Services fee that supports the Student Services Sector comprised of the Student Success Centre, Campus Wellness and Support Services, the Dean of Students Office, and the Financial Aid and Awards Office -- to match the fee levy that undergraduate students are already paying, from \$10.26 per credit to \$11.11 per credit (an increase of \$0.85 per credit), annually adjusted to the Consumer Price Index of Canada, to be collected from all Graduate students, and to be implemented for the Winter 2025 (2244) term in accordance with the University's tuition refund and withdrawal policy?

Referendum Question : Legal Information clinic

Do you agree to apply a fee levy of \$2.75 per term in order to allow graduate students with full access to the services offered by the CSU Legal Information Clinic?

Referendum Question The Link:

Do you agree to implement a fee levy of \$1.00 per student per semester to support the Link Publication Society, a student newspaper at the university ? The fee would be collected from all GSA members who would become members of the Link Publication Society by paying the fee levy. The fee levy will be effective with the Winter semester of 2025 (2244) and billed in accordance with the university tuition billing and refund policy.

Referendum Question : Legal Essentials

Do you agree that the GSA joins the Student Care Legal Essentials Program, that will provide GSA members with legal consultations with lawyers licensed to practice in Quebec and access to legal representation (subject to policy limitations) ? All participants (any GSA member can unilaterally opt out of the fee on an annual basis and get a full refund) would pay an annual fee of up to \$36 per year effective with the Winter 2025 term (2244) and collected in accordance with Concordia University tuition, billing and refund policies.
